Dear Employer Stakeholder:

Further to my letter of July 31, I am writing to inform you that the WSIB Board of Directors has set the final 2007 average premium rate for Schedule 1 employers.

As I said in July, the WSIB has introduced a number of measures to improve its fiscal situation. These measures have provided the WSIB's Board of Directors with the flexibility to keep the average premium rate at \$2.26 per \$100 of insurable earnings. This is unchanged from the 2006 average premium rate.

Enclosed in this package is a list of final premium rates for 2007. Information about 2007 premium rates is also available on the WSIB website at www.wsib.on.ca. Final rates for 2007 will be mailed to all registered employers in December.

If you have any questions or comments regarding the 2007 premium rates please contact Sharon Gilchrist, Director, External Relations at 416 344-4943.

Yours sincerely,

Hon. Steven Mahoney, P.C.
Chair
